Short description

I'm an retired football player from the Second Division (Belgium). Currently I'm focused on finding young talent in Belgium for OH Leuven. Besides that, I have a good knowledge of the Belgian, Dutch, German and French market.

I have complete several renowned courses in these years. My passion is football, especially the skills of the players and the tactical aspect of the game.

My currently job is a Pharmacist in a hospital, specialty Cytostatic.

Experience

Youth player & 2nd team player of Patro Eisden (Second division Belgian League) **1991-2003**

Football player (National & Provincial leagues Belgium) **2003-2019**

Scout Championship England / Scotland 2nd league **2018-2019**

- Scouting reports U21 (Belgian leagues U21)
- Good knowledge of KRC Genk U21, STVV U21 and Standard U21

Scout European Championship U17 **2019**

- Reporting matches
- Reporting Belgium U17 & Netherlands U17 (good knowledge of both country 's)

Scout Kevin de Bruyne Cup

2019

- Discover new youth talent
- Report targets for Belgian & Dutch football clubs

Scouting for upgrading my database

- Finding Talent (home & abroad)
- Analyzing 'target-games'
- Upgrading my knowledge of the Belgian, Dutch, German and French football market
- Data scouting: currently with the (for me limited) available programs

Youth scout (U13-U21) OH Leuven

2019-now

- Analyse match (mainly U19 & U21)
- Assess targets
- Find the right profiles for OHL (several positions)
- Good knowledge of the Limburg, Liege, Walloon and Flemish Brabant regions

Team Analyses

2020-now

- Analyses of a team (Tactics, B+, B-, Best players,...)
- Making a report of this analyses (PowerPoint, Scoutpad, PDF-file, Soccer lab)

Studies and training (certificates)
